

Seating Arrangement for Public

There will be special seating arrangements in **Court No. 3, 4/F, Tower A, West Kowloon Law Courts Building** for the captioned case. Apart from those seats reserved for the press, parties concerned and the defendants' family and friends, the rest (including Court No. 3, the Court Extension at Court No. 1, Court No. 2, the Court Lobby on 4/F and the Jurors Assembly Room on 8/F with live broadcast of the proceedings) will be assigned to members of the public on a first-come-first-served and one-person-one-ticket basis. Since the number of seats are limited, only those members of the public who have secured admission tickets will be allowed to enter the designated public galleries. They will otherwise need to wait at the lobby on G/F, Tower B of the West Kowloon Law Courts Building for stand-by tickets (around 100). Once all tickets (admission and stand-by) have been distributed, members of the public will be informed as soon as practicable.

Members of the public are advised to refer to the [Daily Cause List](#) to check the actual hearing date and time. Admission tickets will be distributed 45 minutes before the start of the hearing on the same day at the lobby on G/F, Tower B of the West Kowloon Law Courts Building. Those who have obtained admission tickets shall proceed to the 4/F for admission to the courtroom/court extension under the guidance of the venue officers after undergoing security screening procedures.
