Number	Text
3.1	Please amend as proposed in pencil.
3.2	Para 1 - to show the correct date of death of the deceased.
3.3	Para 1 - to show the correct place of death of the deceased.
3.4	Para 1 - to show the place where the deceased died domiciled.
3.5	To show (a) whether the deceased died on an unknown date; (b) the date he/she was last seen alive (or last known to be alive); and (c) the date and place where his/her dead body was found in accordance with page 164 (para.4.152) of T & C, 31st Edition.

3.6	Since the deceased is survived by his/her parent(s), it would appear that the deceased's sibling is not entitled to the estate (IEO, s.4(4)). Please therefore amend by deleting any reference to sibling from para 2 of the Oath.
3.7	Please state whether the deceased had any siblings during his/her lifetime other than the one(s) set out in para [] of the Oath.
3.8	Under the per stirpes rule [IEO, s.5 and para.6.169 of T & C, 31 st Edition], the issue of the predeceased will also be entitled to the estate. Therefore please state if the predeceased had any issue, and if so, please include such issue in para [] of the Oath.

3.13	(i) Please provide the particulars of the natural and lawful parent(s) of the deceased, since the deceased died without issue and the value of the estate exceeds \$1,000,000.00 (IEO, s.4(4)). (ii) Subject to (i) above, please also amend para [] of the Oath to state the applicant's capacity and entitlement to the grant being applied for (paras 94-97 of the Guide).
3.14	(i) Please consider deleting from para [] of the Oath the particulars of the issue of the deceased, since the value of the estate does not exceed \$500,000.00 (IEO, s.4(3)). (ii) Subject to (i) above, please also amend para [] of the Oath to state the applicant's capacity and entitlement to the grant being applied for (paras 94-97 of the Guide).
3.15	It is observed that [NAME] is described as the son/daughter of the deceased, and yet he/she has not been included in para [] of the Oath. Please clarify and consider if it is necessary to amend the Oath.
3.16	According to the age as set out in para [] of the Oath, it would appear that [NAME] was/were born before the deceased's marriage with [NAME]. Please consider whether it is necessary to amend para [] of the Oath so that his/her/their relationship with the deceased is to be correctly stated (para 60 of the Guide).
3.17	Subject to the above, please amend the Oath by setting out the particulars of the cohabitation of the applicant and the deceased prior to their marriage. Section 4 - Will

Number	Text
4.1	Please state in the Oath the correct description of the applicant with reference to NCPR r.19.
4.2	Please state in the Oath the name of the applicant as described in the Will (para 163 of the Guide).
4.3	Please state respectively the name and age of the beneficiaries named in the Will.
4.4	Please state whether there is any residuary legatee and devisee holding in trust for any person named in the Will.

4.5	Please state whether there is any residuary legatee or devisee for life named in the Will.
4.6	Please state whether there is any residuary legatee or devisee named in the Will.
4.7	Please file an affidavit by one of the two attesting witnesses to prove the due execution of the Will. (The original Will, which will be marked as exhibit, may be released in the usual way.)
4.8	Please file an affidavit to prove the handwriting and signature / plight and condition of the Will of the deceased. (The original Will, which will be marked as exhibit, may be released in the usual way.)
4.9	Please file an affidavit verifying the existence of the other Will(s) of the deceased. An attested copy of the other Will(s), if any, should be exhibited to the affidavit (T & C, para 3.197). (The original Will, which will be marked as exhibit, may be released in the usual way.)
4.10	Since no person has been expressly nominated as an executor in the will, please submit why the applicant can be regarded as the executor of the Will of the deceased. (You may wish to consider T & C, para 4.19 regarding executor according to the tenor.)
4.11	Please confirm in writing whether the Will of the deceased only consists of [no.] pages as it is not wax bound.
4.12	Please confirm in writing whether the Will search has included a search among the title deed of the deceased's property that he/she had used as his/her residence, and if so, whether any Will has been found.
4.13	Since there is no express restriction in the Will that the Will is intended to deal only with the property mentioned in the Will, please provide evidence of contrary intention of the testator in order that the executor can apply for a limited grant (para 159 of the Guide).
4.14	Please state in the Oath whether the original Will has been proved in an overseas court and further state whether it is being kept there and cannot be removed.
4.15	Since the original Will is lost, please file an ex-parte application by filing an affidavit for the Registrar's order to admit the copy Will to proof as the last Will of the deceased until the original or a more authentic copy can be proved. Folio [] does not appear to be a regular ex-parte application as it does not state the order applied for (paras 148 and 149 of the Guide).
4.16	Please file an affirmation by a person who is able to account within his personal knowledge as to how the two staple holes/clip marks/punch holes at the top of each page of the Will came about. Please further clarify whether there were any codicil or testamentary papers attached to the Will (para 136 of the Guide).
4.17	Alterations are noted in the [] line in the will. Since these alterations do not seem to have been initialled or signed by the deceased, or witnessed by anyone, please therefore file an affidavit to account for these alterations and to state whether such alterations were made prior to the execution of the Will by the deceased (paras 137 to 140 of the Guide).

Section 5 – Marriage

Number	Text
5.1	Please confirm whether the deceased was the lawful kit-fat wife of the applicant/[NAME]. If not, please file a photocopy of the marriage certificate.

5.2	Para [] of the Oath refers. Please state the place, date and mode of the deceased's marriage.
5.3	Para [] of the Oath refers. Please state whether the deceased/applicant was ever married to any person other than the applicant/deceased.
5.4	Please state whether the applicant has any lawful wife or concubine other than the deceased. (If yes, please provide the particulars of such lawful union by amending the Oath.)
5.5	Please further state whether the deceased had any lawful wife/concubine other than [NAME].
5.6	Para [] of the Oath refers. Please state whether the deceased had any concubine.
5.7	Para [] of the Oath refers. Please state whether the applicant has any concubine.
5.8	Since it is averred that the deceased's customary marriage was contracted in Mainland China after 1.5.1950 (the date on which the Marriage Law there commenced, requiring registration of a valid marriage), please therefore state why it is alleged that the deceased's customary marriage could be a valid marriage and that the applicant may apply in the capacity of the lawful husband/lawful kit-fat widow and relict of the deceased.
5.9	Please file an affidavit to prove the concubinage of the deceased with [NAME] (IEO, s.13).
5.10	Please confirm whether the deceased/ [NAME] was accepted by the lawful kit-fat wife as the applicant's/the deceased's concubine (IEO, s.13).
5.11	The affirmation at [] refers. Please further provide particulars showing the date, place and formality or any particular form of ceremony of the alleged union of concubinage, and further state whether the deceased/ [NAME] was accepted by the lawful kit-fat wife and recognized by the family members generally as the concubine of the deceased/[NAME].
5.12	Please file an affidavit by, preferably the cohabitee, or if the cohabitee is not available, a person who has direct knowledge of the cohabitation to prove the co-habitation of the deceased with [NAME].
5.13	Since it is averred that the marriage did not take place in Hong Kong and no marriage certificate can be produced, please file evidence (such as expert evidence) to prove the validity of the marriage by stating the fact that the marriage was valid in accordance with the law in force at the time and in the place where the marriage was performed (IEO, s.3(d)).

Section 6 – Capacity of the Applicant **(Please refer to A5 of Part 4 of the Guide)**

Number	Text
6.1	Please state the applicant's capacity and entitlement to the grant being applied for (paras 94-97 of the Guide).
6.2	As the value of the estate was under \$500,000, the surviving spouse is entitled to the whole estate of the deceased. Hence, the applicant does not appear to be entitled to the estate as one of the persons entitled to share in the estate notwithstanding the renunciation of the spouse of the deceased. Please therefore reconsider the application, and you may wish to consider NCPR, r.21(4).

6.3	Since the value of the estate does not exceed \$500,000, and the deceased died after 3.11.1995, the surviving spouse (the applicant in this case) would appear to be “the only person now entitled to the estate”. Thus please re-consider the entitlement of the applicant in paragraph 2 and the concluding paragraph of the Oath. (paras. 94-97 of the Guide and para. 6.391 of T & C, 31st Edition).
6.4	Since the deceased’s spouse who has since deceased was beneficially entitled to the <u>whole estate</u> of the deceased (the value of the estate was under \$500,000.00), it would appear that the applicant is not in the position to apply for the grant without obtaining a leading grant to the estate of the spouse (para 186 of the Guide).
6.5	Since the deceased leaves no surviving spouse and issue but parent(s), the applicant, being the brother/sister of the deceased, does not appear to be entitled to the deceased’s estate notwithstanding the renunciation of the deceased’s parents (IEO, s.4(6)). Please consider.
6.6	It appears that the applicant, being the lawful parent of the deceased, is not entitled to the grant being applied for (para 222/ para 229 of the Guide).
6.7	Please file expert opinion on Tsing Law to show the applicant’s capacity and entitlement to the grant being applied for.
6.8	Please confirm whether [NAME] consents to the grant being limited for the use and benefit of the infant(s).
6.9	Please state the usual limitation for the use and benefit of the infant(s).
6.10	Since it is confirmed that [NAME] is a mentally incapacitated person (“MIP”) within the meaning of the Mental Health Ordinance (Cap 136), please consider making an application for the appointment of a committee empowering the latter to apply for a grant for the use and benefit of the said MIP under Part II of the said Ordinance.
6.11	Since this application is not made by the executor but by his lawful attorney, the applicant is not entitled to apply for grant of probate but only letter of administration with Will annexed (PAO, s.35). Please consider withdrawing the present application and issue a fresh one.

Section 7 – Domicile

Number	Text
7.1	Please state in the Oath the place where the deceased was domiciled at his/her death.
7.2	To prove the assertion of domicile in Hong Kong, please file a copy of the deceased's permanent HKID card (para 52 of the Guide).
7.3	Since the deceased died domiciled outside Hong Kong, NCPR, r.29 applies (Section B of Part 7 of the Guide).
7.4	Since the deceased died before 1.3.2009, common law applies. Thus a married woman’s domicile is dependent upon her husband’s. Please therefore state in the Oath the domicile of her husband at the time of her death (para 51 of the Guide).
7.5	Since the deceased was a minor and died after 1.3.2009, his/her domicile is to be determined by the "most closely connected test" as set out in ss.4 and 11 of the new Domicile Ordinance (Cap 596). Please amend the Oath by setting out all the connecting factors.
7.6	Since minority/life interest arises, the ex-parte application for an order under NCPR, r.29 should be made by two applicants (PAO, s.25). Please consider seeking leave from

	the Probate Master by letter to withdraw this ex-parte application, and file a fresh ex-parte application by not less than two persons.
7.7	Since the country as set out in para [] of the Oath has no uniform system of law, please therefore amend the said paragraph by stating the particular province, state or other judicial division, as the case may be (para 47 of the Guide).

Section 8 – Filing, Authentication and Translation of Documents

8.12	The [] certificate should be duly authenticated. (The signature and/or seal of the issuing authority of the [] certificate should be certificated by a proper authority (or foreign minister office, as the case may be) of that country or territory and whose signature and/or seal should in turn be authenticated by the Chinese Embassy there.)
8.13	Please obtain a Certificate of Apostille indorsed on the [] certificate. (The Certificate of Apostille should certificate the signature and/or seal of the issuing authority of the [] certificate.)

[() may be released in the usual way.]
8.15	When enclosing a cover letter together with the documents intended to be filed in answer to the requisitions, in the letter, please identify (by describing the nature of the document) each of the documents to be filed with reference to the specific requisitions (by using the same requisition numbering) you are seeking to answer or wish to rely on

Number	Text
11.1	Please confirm whether minority or life interest arises under the Will.
11.2	Please state in the Oath whether any minority or life interest arises under partial intestacy.
11.3	It appears that minority interest arises in this application as there is/are person(s) below the age of 18 having an immediate beneficial interest in view of the fact that the value of the estate exceeds \$500,000.00. Please clarify (para 90 of the Guide).
11.4	It appears that a life interest arises in this estate. Please clarify (para 92 (1) (a)/(b) /(2) of the Guide).
11.5	Since the value of the estate is below \$500,000.00, the spouse would be the only person entitled to the intestate estate. Thus, minority interest does not arise. Please therefore clarify why it is so averred in the Oath.
11.6	Please confirm whether life/minority interest arises under the intestacy, and if so, please so state in the Oath. The words “and/or” are ambiguous.
