

**Preventive measures being taken
to enhance environmental hygiene
in law courts buildings**

1. To clean and disinfect public areas (such as building entrances, lobbies, lifts, courtrooms and registries) and frequently-touched surfaces (such as door handles and escalator handrails) regularly thrice a day.
2. To disinfect lift buttons every hour.
3. To clean and disinfect public toilets regularly thrice a day.
4. To provide alcohol-based handrub in Judiciary premises for use by court users.
