

Operating Hours of iCMS

The operating hours of the iCMS may be specified by the Judiciary from time to time for various reasons, including suspension for necessary system maintenance. Electronic filings or payments via the iCMS that are yet to be finished by the end of the operating hours will be treated as unsuccessful transactions. Notification will be provided ahead of a scheduled suspension of the iCMS. For an unscheduled suspension arising from an unforeseeable issue, notifications will be issued as promptly as practicable. Information on system maintenance, scheduled and unscheduled alike, will be provided through the iCMS and on this webpage. Users are advised to check for the latest updates and plan their electronic transactions through the iCMS accordingly.
