High Court Suitors' Funds

Financial statements for the year ended 31 March 2006

Report of the Director of Audit

Audit Commission
The Government of the Hong Kong Special Administrative Region

Independent Audit Report

I have audited the financial statements of the High Court Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2006, and the statement of receipts and payments for the year then ended, and a note on the accounting policies and other explanatory notes.

Registrar, High Court's responsibility for the financial statements

The Registrar, High Court is responsible for the preparation and the proper presentation of these financial statements in accordance with rule 5(1) of the High Court Suitors' Funds Rules (Cap. 4 sub. leg. B) and the cash basis of accounting as described in Note 2 to the financial statements. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the proper presentation of financial statements that are free from material misstatement, whether due to fraud or error; and selecting and applying appropriate accounting policies.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk

assessments, the auditor considers internal control relevant to the entity's preparation and proper presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used by the Registrar, High Court, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements properly present the assets and liabilities of the High Court Suitors' Funds as at 31 March 2006 and the receipts and payments for the year then ended in accordance with rule 5(1) of the High Court Suitors' Funds Rules and the cash basis of accounting as described in Note 2 to the financial statements.

The Registrar, District Court is responsible for the preparation and the proper presentation of these financial statements in accordance with rule 5(1) of the District Court Suitors' Funds Rules (Cap. 336 sub. leg. E) and the cash basis of accounting as described in Note 2 to the financial statements. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the proper presentation of financial statements that are free from material misstatement, whether due to fraud or error; and selecting and applying appropriate accounting policies.

Labour Tribunal Suitors' Funds

Financial statements for the year ended 31 March 2006

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Audit Report

I have audited the financial statements of the Labour Tribunal Suitors' Funds set out on pages 3 to 6, which comprise the statement of assets and liabilities as at 31 March 2006, and the statement of receipts and payments for the year then ended, and a note on the accounting policy and other explanatory notes.

Registrar of the Labour Tribunal's responsibility for the financial statements

The Registrar of the Labour Tribunal is responsible for the preparation and the proper presentation of these financial statements in accordance with rule 10(1) of the Labour Tribunal (Suitors' Funds) Rules (Cap. 25 sub. leg. D) and the cash basis of accounting as described in Note 2 to the financial statements. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the proper presentation of financial statements that are free from material misstatement, whether due to fraud or error; and selecting and applying appropriate accounting policies.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk

assessments, the auditor considers internal control relevant to the entity's preparation and proper presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policy used by the Registrar of the Labour Tribunal, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements properly present the assets and liabilities of the Labour Tribunal Suitors' Funds as at 31 March 2006 and the receipts and payments for the year then ended in accordance with rule 10(1) of the Labour Tribunal (Suitors' Funds) Rules and the cash basis of accounting as described in Note 2 to the financial statements.

Financial statements for the year ended 31 March 2006

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Audit Report

I have audited the financial statements of the Master in Lunacy Account set out on pages 3 to 5, which comprise the statement of assets and liabilities as at 31 March 2006, and the statement of receipts and payments for the year then ended, and a note on the accounting policy and other explanatory notes.

Registrar, High Court's responsibility for the financial statements

The Registrar, High Court is responsible, in his capacity as the Master in Lunacy, for the administration of cases existing at the time when the High Court Ordinance was repealed and re-enacted in 1976, and subsequent cases if the court so orders, and for the preparation and the proper presentation of the financial statements in respect of those administered cases in accordance with the cash basis of accounting as described in Note 2 to the financial statements. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and the proper presentation of financial statements that are free from material misstatement, whether due to fraud or error; and selecting and applying appropriate accounting policies.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and proper presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policy used by the Registrar, High Court, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements properly present the assets and liabilities of the Master in Lunacy Account as at 31 March 2006 and the receipts and payments for the year then ended in accordance with the cash basis of accounting as described in Note 2 to the financial statements.
