## High Court Suitors' Funds

Financial Statements for the year ended 31 March 2016

# **Report of the Director of Audit**

**Audit Commission**

The Government of the Hong Kong Special Administrative Region

## **Independent Audit Report**

I have audited the financial statements of the High Court Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2016, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Registrar of the High Court's Responsibility for the Financial Statements**

The Registrar of the High Court is responsible for the preparation of these financial statements in accordance with rule 5(1) of the High Court Suitors' Funds Rules (Cap. 4 sub. leg. B), and for such internal control as the Registrar of the High Court determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness

of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used by the Registrar of the High Court, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements of the High Court Suitors' Funds for the year ended 31 March 2016 are prepared, in all material respects, in accordance with rule 5(1) of the High Court Suitors' Funds Rules.

## District Court Suitors' Funds

Financial statements for the year ended 31 March 2016

# *Report of the Director of Audit*

**Audit Commission**

The Government of the Hong Kong Special Administrative Region

## **Independent Audit Report**

I have audited the financial statements of the District Court Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2016, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Registrar of the District Court's Responsibility for the Financial Statements**

The Registrar of the District Court is responsible for the preparation of these financial statements in accordance with rule 5(1) of the District Court Suitors' Funds Rules (Cap. 336 sub. leg. E), and for such internal control as the Registrar of the District Court determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness

of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used by the Registrar of the District Court, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements of the District Court Suitors' Funds for the year ended 31 March 2016 are prepared, in all material respects, in accordance with rule 5(1) of the District Court Suitors' Funds Rules.

Master in Lunacy Account

Financial Statements for the year ended 31 March 2016

# *Report of the Director of Audit*

**Audit Commission**

The Government of the Hong Kong Special Administrative Region

## **Independent Audit Report**

I have audited the financial statements of the Master in Lunacy Account set out on pages 3 to 5, which comprise the statement of assets and liabilities as at 31 March 2016, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Registrar, High Court's Responsibility for the Financial Statements**

The Registrar, High Court is responsible, in his capacity as the Master in Lunacy, for the administration of cases existing at the time when the High Court Ordinance was repealed and re-enacted in 1976, and subsequent cases if the court so orders, and for the preparation and the proper presentation of the financial statements in respect of those administered cases in accordance with the cash basis of accounting as described in Note 2 to the financial statements. He is responsible for such internal control as the Registrar, High Court determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of

the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Registrar, High Court, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements of the Master in Lunacy Account for the year ended 31 March 2016 are prepared, in all material respects, in accordance with the cash basis of accounting as described in Note 2 to the financial statements.
