High Court Suitors' Funds

Financial statements for the year ended 31 March 2018

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the High Court Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the High Court Suitors' Funds are prepared, in all material respects, in accordance with rule 5(1) of the High Court Suitors' Funds Rules (Cap. 4 sub. leg. B).

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the High Court Suitors' Funds in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the High Court for the financial statements

The Registrar of the High Court is responsible for the preparation of the financial statements in accordance with rule 5(1) of the High Court Suitors' Funds Rules, and for such internal control as the Registrar of the High Court determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the High Court Suitors' Funds' internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the High Court.

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL

- (i) The Statement of Assets and Liabilities and the Statement of Receipts and Payments as presented in the preceding pages constitute the financial statements of the High Court Suitors' Funds as specified in rule 5 of the High Court Suitors' Funds Rules (Cap. 4 sub. leg. B).
- (ii) The financial statements do not include the value of a real estate property held in trust under court order and registered in the joint name of the Registrar, High Court.

2. ACCOUNTING POLICIES

- (i) Subject to (ii) and (iii) below, the financial statements are prepared on a cash basis. Transactions are recorded only when moneys are received and paid during the financial year.
- (ii) Securities are stated at book values. Listed equities are stated at market values on the dates of transfer. Unlisted equities are stated at nominal value or at cost.
- (iii) Foreign currency balances at the year end date are valued at the mid-point between the selling and buying telegraphic transfer rates quoted by the Hong Kong Association of Banks on the last working day of the financial year (the closing rate).

3. SECURITIES

District Court Suitors' Funds

Financial statements for the year ended 31 March 2018

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the District Court Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the District Court Suitors' Funds are prepared, in all material respects, in accordance with rule 5(1) of the District Court Suitors' Funds Rules (Cap. 336 sub. leg. E).

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the District Court Suitors' Funds in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the District Court for the financial statements

The Registrar of the District Court is responsible for the preparation of the financial statements in accordance with rule 5(1) of the District Court Suitors' Funds Rules, and for such internal control as the Registrar of the District Court determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District Court Suitors' Funds' internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the District Court.

Master in Lunacy Account

Financial statements for the year ended 31 March 2018

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the Master in Lunacy Account set out on pages 3 to 5, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Master in Lunacy Account are prepared, in all material respects, in accordance with cash basis of accounting as described in note 2 to the financial statements.

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the Master in Lunacy Account in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the High Court for the financial statements

The Registrar of the High Court is responsible, in his capacity as the Master in Lunacy, for the administration of cases existing at the time when the High Court Ordinance was repealed and re-enacted in 1976, and subsequent cases if the court so orders, and for the preparation and the proper presentation of the financial statements in respect of those administered cases in accordance with the cash basis of accounting as described in note 2 to the financial statements. He is responsible for such internal control as he determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Master in Lunacy Account's internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the High Court.

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the Hong Kong Court of Final Appeal Suitors' Funds set out on pages 3 to 6, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Hong Kong Court of Final Appeal Suitors' Funds are prepared, in all material respects, in accordance with rule 6 of the Hong Kong Court of Final Appeal Suitors' Funds Rules (Cap. 484 sub. leg. C).

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the Hong Kong Court of Final Appeal Suitors' Funds in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the Hong Kong Court of Final Appeal for the financial statements

The Registrar of the Hong Kong Court of Final Appeal is responsible for the preparation of the financial statements in accordance with rule 6 of the Hong Kong Court of Final Appeal Suitors' Funds Rules, and for such internal control as the Registrar of the Hong Kong Court of Final Appeal determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hong Kong Court of Final Appeal Suitors' Funds' internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the Hong Kong Court of Final Appeal.

Lands Tribunal Suitors' Funds

Financial statements for the year ended 31 March 2018

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the Lands Tribunal Suitors' Funds set out on pages 3 to 7, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Lands Tribunal Suitors' Funds are prepared, in all material respects, in accordance with rule 6 of the Lands Tribunal (Suitors' Funds) Rules (Cap.17 sub. leg. C).

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the Lands Tribunal Suitors' Funds in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the Lands Tribunal for the financial statements

The Registrar of the Lands Tribunal is responsible for the preparation of the financial statements in accordance with rule 6 of the Lands Tribunal (Suitors' Funds) Rules, and for such internal control as the Registrar of the Lands Tribunal determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lands Tribunal Sutors' Funds' internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the Lands Tribunal.

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL

On 1 April 2016, the Lands Tribunal Suitors' Funds came into operation upon the enactment of the Lands Tribunal (Suitors' Funds) Rules (Cap. 17 sub. leg. C).

The Statement of Assets and Liabilities and the Statement of Receipts and Payments as presented in the preceding pages constitute the financial statements of the Lands Tribunal Suitors' Funds as specified in rule 6 of the Lands Tribunal (Suitors' Funds) Rules (Cap. 17 sub. leg. C).

2. ACCOUNTING POLICIES

The financial statements are prepared on a cash basis. Transactions are recorded only when moneys are received and paid during the financial year.

3. DEPOSITS

Deposits are Hong Kong dollar deposits placed with local banks under rule 17 of the Lands Tribunal (Suitors' Funds) Rules. Interest received on deposits accounts, after applying those sums required to be credited to the respective suitors' accounts, is transferred to the general revenue after the end of the financial year in accordance with rule 18.

Competition Tribunal Suitors' Funds

Financial statements for the year ended 31 March 2018

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Independent Auditor's Report

Opinion

I have audited the financial statements of the Competition Tribunal Suitors' Funds set out on pages 3 to 5, which comprise the statement of assets and liabilities as at 31 March 2018, and the statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Competition Tribunal Suitors' Funds are prepared, in all material respects, in accordance with rule 6 of the Competition Tribunal Suitors' Funds Rules (Cap. 619 sub. leg. F).

Basis for opinion

I conducted my audit in accordance with section 8(1)(b) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of my report. I am independent of the Competition Tribunal Suitors' Funds in accordance with those standards, and I have fulfilled my other ethical responsibilities in accordance with those standards. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Registrar of the Competition Tribunal for the financial statements

The Registrar of the Competition Tribunal is responsible for the preparation of the financial statements in accordance with rule 6 of the Competition Tribunal Suitors' Funds Rules, and for such internal control as the Registrar of the Competition Tribunal determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Audit Commission auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Audit Commission auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Competition Tribunal Sutors' Funds' internal control; and
- evaluate the appropriateness of accounting policies used by the Registrar of the Competition Tribunal.
